

Financial Aid Addendum

This financial aid addendum allows the student to defer payment of room and board until the dates specified below for each semester. No additional charges will be incurred unless payment is not provided by the deadlines listed below.

Semester payment plan: I agree to pay the full amount due prior to September 1, 2024 for the Fall semester and February 1, 2025 for the Spring semester. I further agree that if payment is not made prior to the agreed upon dates, I will be charged all applicable late fees related to the original payment due date.

In addition, I also give permission for Armory House Properties or its agents to contact the financial aid or cashier's office in regards to my account and financial aid dispersal date and amount.
